# Sailing Solo

*into a new century*

The Nor'easter has been published for 100 years. However, this brand new century looks much different than the 1914-1915 edition. We are in full color and also using 21st century technology.

Please note the little  at the lower right corner of our

Viking Nation Leader. This is called Aurasma. We have a channel at that location. Using your smart phone you can scan the picture and it will transport you to the site.

When you arrive at the Aurasma site, you will be given a prompt. You will be asked to identify the name of your channel. The name the staff decided is: **vikingnation**. It's easy and makes sense.

## Step for Aurasma

1. Apple or Googleplay (depending on your phone)
2. Download the app
3. Scan any picture that has the icon at the side.
4. When you arrive at Aurasma, you will be given a prompt
5. search for **vikingnation**

So, try it out! To the right is a picture of Douglas Bolden,

# Assan Williams

Since the loss of you  
I've learned to live for each day  
And take it as a blessing  
Knowing it may not always be this way.

Since the loss of you  
I've learned that when everything goes wrong  
To never give up on what is right  
Because it can only make you strong.

Since the loss of you  
I've learned that even when you're in a lot of pain  
You've got to hold yourself together  
So you won't feel like you're going insane.

Since the loss of you  
I've learned how to hold the tears when I want to cry  
Because all I have are memories  
And just want to ask God why.

But mostly, since the loss of you  
I've learned a life can be taken in the blink of an eye  
And only Heaven really knows when  
That person will have to say "Goodbye."

# In Memory

*Maria*

*Gloria*

It's hard to know just what to say,  
When one so young is taken away.  
Far too soon she had to part,  
Her memory forever engraved in our heart.

We only knew her for a short while,  
But the life she led made us smile.  
She was so beautiful and oh so rare,  
Life as they say just isn't fair.

Those gone before her will watch her with care,  
'Til the day comes when we'll all join her there.  
Know Maria is watching from heaven above,  
And with each ray of sunshine, she's sending her love.

## L'image

Arrivé en Charente en début de semaine, le peintre expressionniste américain Harold Smith en profite pour visiter la région avant le lancement de *Colors of Life*, l'exposition qui débute mardi prochain chez Martell, dans le cadre du festival Blues Passions. «C'est un honneur et un privilège pour moi d'être invité à Cognac. J'ai hâte de découvrir le festival, d'écouter de l'excellente musique.» Musique qui l'a inspiré pour peindre une trentaine d'œuvres grand format. L'artiste a créé cette collection spécialement pour la 21<sup>e</sup> édition du festival. Dont ce *Strange Fruit*, hommage au titre interprété par Billie Holiday en référence aux lynchages dans le Sud des Etats-Unis, au pire de la ségrégation. A découvrir jusqu'au 21 septembre.

## Le blues tout en couleurs d'Harold Smith

Mr. Harold Smith is a computer expert by day and an accomplished artist in the off time. He spent this past summer in Paris. His work has been reviewed by some of the best. He has been invited back for another exclusive art show for the summer of 2015. We are honored to have Mr. Smith as part of our Viking Nation.

# Security & Support

They keep us safe, and focused. Our attendance and attitude is just as important to our education as our class schedule. And these dedicated people help to make that happen.

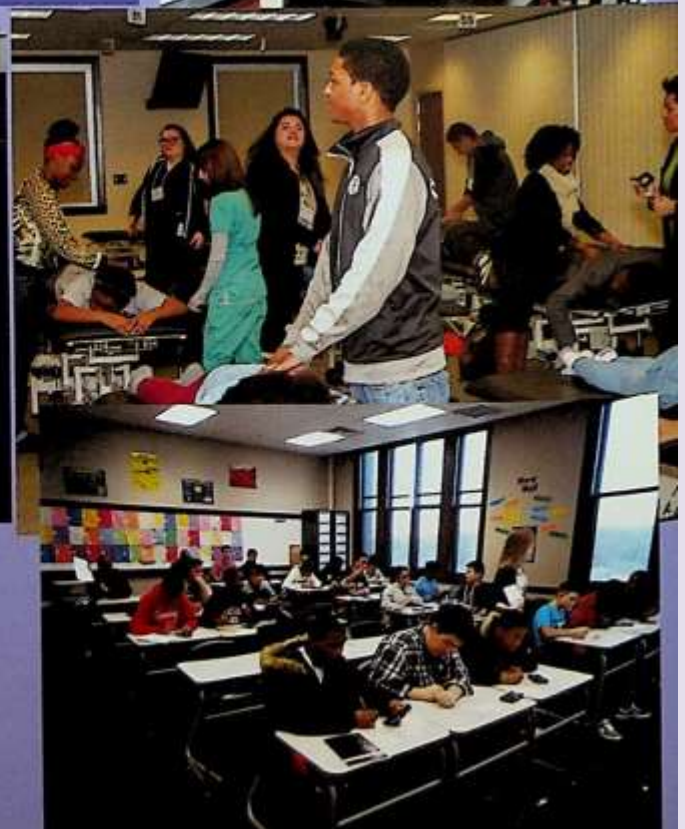

To the right: Mr. Benbow is helping a student with his own computer. This is part of the district's one to one. A computer for every student. Most of our textbooks can be found online along with lessons that can be submitted online. Yes, we are 21st century technology!

# Student Life

Viking Nation 2014-15

MUCH of our student life is spent in the classroom. 7 hours a day are dedicated to LEARNING. WE are responsible for our "intake" and making that class time count.

If you have Ms. Smith, you will enjoy learning on the move. Her health classes "keep it real" about a wide variety of health issues.

Several of the pictures are showing a field trip to UMKC. Medical students show them hands on health.

You will also see room where teachers use their plan time to check on students that might be absent. Yep, it takes a village!

# Office Staff

Mrs. Shelia Jackson, front office, Mrs. Tina Swartz, attendance clerk and Mrs. Yvonne Russell, registrar are the first faces you will see when you arrive at Viking Nation. We are not sure how they keep a smile. They are very busy and somehow keep a good attitude. Ms Tina is also our resident princess!! lol

# Counselors

These 3 amigos work hand in hand to ensure that every student has the correct schedule and courses needed to graduate and continue to college. left to right: Shanitra Jones, counselor, Juanita Ariza, college adviser, and Liz Hernandez, counselor. Trips to visit colleges; preparing for the ACT; filling our forms; encouraging our students and planning future scheduling. This is Viking Nation at its best and busiest!

No child EVER goes away hungry. Ms. Dee has NO child left behind. From early morning breakfast to lunch and then after school snacks before tutoring.

It's hard to tell if this is our lunchroom or the food network. Lots of great food made FRESH every meal. Always a SMILE. Ms. Dee is "old school".....pull you pants up and take the hat off. It's meal time and that's not the time for "saggin". You go Ms. Dee!! We appreciate ALL that you and your crew do.

A stage full of dignitaries for a well deserved and dedicated group of students.

Who is ultimately responsible for your education?.....we ALL know the answer!! **IT'S YOU!!!**
