THE NORTHEAST HIGH SCHOOL ALUMNI ASSOCIATION CONGRATULATES THE CLASS OF 2019 AND WISHES THEM SUCCESS AS THEY BEGIN THE NEXT PART OF THEIR JOURNEY. SOME OF OUR YOUNGER MEMBERS HAVE SHARED THEIR THOUGHTS ABOUT WHY THEY ARE PROUD TO BE PART OF THE NORTHEAST HIGH SCHOOL ALUMNI ASSOCIATION.

I was fortunate enough to receive a Northeast High School Alumni Association scholarship and I remember how proud I was to be recognized by the association. I still feel that pride, and even more so because I am now a member of the NEHSAA Board. I think it's important to be part of the NEHS Alumni Association because it allows you to give back to your fellow Vikings, and the alumni support is essential to keep the VIKING PRIDE ALIVE!!! Tiffany B. 2007

Why do I think the Northeast High School Alumni Association is important? Because scholarships are better than loans. Apply for as many as you can, starting with the Alumni Scholarship. Join the family of the Northeast Alumni Association. The Alumni will help and support you through your journey and in the future you can give back by helping other graduates. Karla R. 2017

The Northeast High School Alumni Association does many amazing things for its students that many people don't realize. I was fortunate to receive a scholarship from them and I'm extremely grateful for it. Vikings from different graduation years donate their time or money to ensure that NEHS students have the same chances they had. It's essential that we, as Vikings, continue this amazing association. Whether it benefits you or other fellow classmates that need an extra hand, it's important to continue the tradition. Valerie G. 2016

Leaving an impact that's memorable is what comes to my mind when I am asked why it is important to be a part of Northeast High School Alumni Association. It's memorable because while high school lasts for 4 years, the impact those years leaves lasts forever. It's like a torch that's being passed on from one person to another, but in this case, it's one generation to another. The torch is knowledge, laughter, and most important being part of the ongoing legacy that is the Viking Nation. Tony L. 2016

The NEHS Alumni Association plays an important role in the life of the students. They support the students and strive to be positive role models. They acknowledge the hard work and determination of the students and the reward is sweet. They care about the wellbeing of the students which make them separate and best from the rest. As part of the NEHSAA, I am now proud to be part of the organization that builds a legacy for the future generations to follow. Shahad W. 2018

I believe it's important to give back to any organization that helped you along the way. The Northeast High School Alumni Association has given me the opportunity to continue to help my fellow Vikings and I was proud when I was asked to be a board member. There is no place like Northeast, the amount of history behind this school and the fact that its alumni continue to preserve its history is very rare. Every event is a new opportunity for me to bridge the gap between the young students and the alumni association. I am so grateful to represent a long line of history in the school I love. Once a Viking, Always a Viking. Larry C. 2016

Alumni Events

If you ask, "What does the Northeast Alumni Association do?" You would probably get an answer that would be something like, "What don't they do!" We have listed a few things that we can remember. Above are the pictures from the golf tournament that was held last summer. They provide and fulfill so many needs within our school. We have a pantry full of fresh food and other needed items. Volunteers come daily to open this opportunity to our students and the community. The Alumni Association provides a scholarship program to our students. They have provided funds for party favors at our proms. Every December, they provide Christmas for some of our students. A hot meal is served to our faculty and staff during parent teacher conference time. The pages in the yearbook are reimbursed by the Alumni Association and allow us to sell the books below cost. If there is a need, the Alumni Association wants to know how they can help. What an awesome way to continue being in touch with our Viking Nation.

Once a Viking ALWAYS a Viking!

Thank you Northeast Alumni Association!!

The Year of Dora McNail

July 17, 1954 - October 17, 2018

After speaking with friends and faculty, one wish that Dora would have said is : Celebrate Life! Please continue to help our children. As she always said, "I heed to help my babies achieve!" One of her favorite quotes was:

People will forget what you did, but people will never forget how you made them feel. *Maya Angelo*

*Mrs. Dora Nina McNail
you always made us feel loved.*

*The Year of Dora McNail 2018-2019
Viking Nation*

Just close your eyes and you will see
All the memories that you have of me
Just sit and relax and you will find
I'm really still there inside your mind

Don't cry for me now I'm gone
For I am in the land of song
There is no pain, there is no fear
So dry away that silent tear

Don't think of me in the dark and cold
For here I am, no longer old
I'm in that place that's filled with love
Known to you all, "up above"

Don't Quit

When things go wrong, as they sometimes will,
When the road you're trudging seems all uphill,
When the funds are low and the debts are high,
And you want to smile, but you have to sigh,
When care is pressing you down a bit,
Rest, if you must, but don't you quit.

Life is strange with its twists and turns,
As every one of us sometimes learns,
And many a failure turns about,
When he might have won had he stuck it out;
Don't give up though the pace seems slow--
You may succeed with another blow.

Often the goal is nearer than,
It seems to a faint and faltering man,
Often the struggler has given up,
When he might have captured the victor's cup,
And he learned too late when the night slipped down,
How close he was to the golden crown.

Success is failure turned inside out--
The silver tint of the clouds of doubt,
And you never can tell how close you are,
It may be near when it seems so far,
So stick to the fight when you're hardest hit--
It's when things seem worst that you must not quit.
